

# Donation Tools

## Enter the world of digital fundraising

Whether you are looking for a donation button for your own website, portraits of current projects on the SpendenSchweiz platform or a campaign generator to create your own fundraising campaigns – StiftungSchweiz offers users a comprehensive toolbox for all areas of digital fundraising from the Starter plan onwards.

- Appealing portrait pages with integrated donation form for your organisation and projects
- Donation button and QR code for direct redirection to your donation page
- Customised donation form for your own website available in the Pro plan and up
- Entitlement to participate in fundraising campaigns
- Secure payment processing and automatic donation confirmation via StiftungSchweiz
- Backend with online donation overview and transmission of donation data
- High-quality editorial environment with donation guide and articles about selected organisations.
